CURRENT LANDSCAPE

NOT ENOUGH WOMEN IN ASSET MANAGEMENT

**NO AWARENESS
NO ACCESS
NO ATTRACTION**

**The broader asset management industry has made a
commitment to increase gender diverse representation by
2030-2050.**

**WAI IS TAKING
ACTION TO BRIDGE
THE GAP AND
ADDRESS GENDER
DIVERSITY IN THE
SHORT TERM.**

**OUR SHORT
GAME IS
STRONG.**

GOALS

WAI is actively working to bring together institutions that are committed to advancing gender diversity in the asset management management space.

Our goal is simple:

To bring awareness to women of their possibilities. We do this via workshops and initiatives to brave our fear, build relationships, and hone our career-related skill set.

Join us in paving the WAI for multi-generational impact.
